Join us Thursday, July 2nd through Sunday, July 5th celebrating 150 years of history with Barrington Through the Decades. The 31st Annual Barrington 4th of July Brat Tent includes three days of food, great music, and wonderful family entertainment. Located in the north commuter lot of the Metra Train Station, the festival is a celebration for the entire family to enjoy, complete with children's entertainment daily and live musical entertainment at night. On Friday, July 3rd, Barrington will be honoring "Those Who Serve," including a ceremony to be held at 3:30 p.m. to honor all those who serve and those who will never be forgotten. The Barrington Lions Club has invited the Great Lakes Naval Academy to help celebrate. For more information and a complete schedule of events, visit [www.Living60010.com](http://www.Living60010.com).

The annual Advocate Good Shepherd Hospital Family Fitness Run, held Saturday, July 4th, features a 10k run through Barrington Hills, a 5k run/ walk and a 2k walk through the streets of Barrington. Proceeds from the race will benefit the cultural arts in Barrington. For more information, visit [www.signmeup.com](http://www.signmeup.com) or call (847) 620-4580.

The 4th of July Parade steps off at 10:00 a.m. on Main Street, beginning at Barrington High School and continues east to Wool Street. In addition to the parade, the committee is hosting an essay contest with Barrington area school children and the annual food drive. For more information about the parade, please visit [www.BarringtonParade.com](http://www.BarringtonParade.com).

Immediately following the parade, join friends and neighbors to celebrate the Grand Opening of Barrington's White House. For more information, visit [www.BarringtonsWhiteHouse.com](http://www.BarringtonsWhiteHouse.com). Stay around town and gather with friends, families, and neighbors for the wonderful annual fireworks display under the stars near Barrington High School. It is a celebration for the entire family to enjoy!

On Sunday, July 5th, end the weekend with a vintage baseball game at Miller Park. The Chicago Salmon (affiliated with the Vintage Baseball Association) will be playing a vintage style of baseball dating back to 1858. After the game, celebrate an afternoon of family fun with traditional hymns mixed with gospel and contemporary music, as well as an old-fashioned ice cream social! This event is hosted by the Barrington Area Ministerial Association. For more information, visit [www.Barrington150.com](http://www.Barrington150.com).

## Barrington's White House Ribbon Cutting

On July 4, village officials and the Barrington's White House Steering Committee will cut the ribbon on Barrington's birthday gift to itself – a vibrant community and cultural center and event space in the heart of our downtown.

All residents are invited to come see Barrington's White House, the newly renovated Robertson home which is now listed on the National Register of Historic Places. Renovations paid for with private donations, the center will host weekly cultural events for Barrington residents of all ages. With office space for local nonprofit groups, it also offers a spacious ballroom and full catering kitchen to provide a beautiful venue for celebrations.

Here's the lineup of the July 4 celebration events:

- Barrington's White House Steering Committee Chair Mary Smith and I will preside over the ceremonial ribbon cutting which will kick off immediately after the parade.
- At 12:00 noon, Tim Dunn will read the Declaration of Independence from the home's stately front porch. Tim is a former village trustee and the great, great grand nephew of Fred Lines who built the house.
- Throughout the day, take a self-guided tour through the 1898 home to see the renovation progress and to learn more about its history and unique architecture.
- In the third floor ballroom, view an exhibit of local historic artifacts and memorabilia, and talk with the neighbors and organizations who brought them.
- Watch a time-lapse video of the year long construction project done by filmmaker Jeff Baustert.
- Enjoy cupcakes and lemonade in the new gardens, and talk with docents about their historically appropriate design.
- Learn more about the many varied cultural events, classes and activities already on the White House cultural calendar.
- Sign up to volunteer at Barrington's White House or to contribute your ideas for future programming.
- Join your neighbors in helping to raise the \$1 million needed to complete this lively addition to village life.

We hope you will join us to celebrate the beginning of an exciting new chapter for this Barrington landmark.

## News You Can Use

Congratulations to Police Chief David Dorn and the Barrington Explorer Post for being awarded the William H. Spurgeon III Award, which is the highest recognition for individuals and organizations contributing significant leadership to the Exploring program. The Exploring Program provides real-world career experiences for teens, including mentoring, internships, and community service.

### Emerald Ash Borer Update

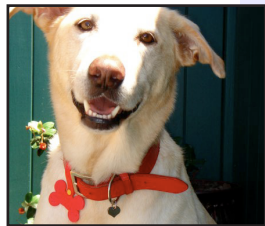

The Village continues to inspect, tag & remove infested ash trees located on the public way. Last year 587 ash trees were removed from the public right-of-way and we expect to remove another 600 before the end of this year. It is important to try and get these dead trees down in a timely manner as they become extremely brittle after just one year following death. Unlike dead elms that could

stand for 10 years or more and be relatively stable, the infested ash trees dry out quickly and become hazardous in a short amount of time. If you have a dead ash tree on your property, for your safety and the safety of surrounding neighbors, please take that ash tree down promptly. Thank you in advance for your cooperation. Please contact our Village Forester, Mike Szymanski at 847-381-7903 for additional information related to EAB or to answer other tree related questions.

### Dog Tags are Due July 1st

These tags are only \$5 and can mean the difference between losing your dog and the Police Department returning your dog safely to you. These dog tags are available at the Village Hall or online at [www.barrington-il.gov](http://www.barrington-il.gov) and are effective from July 1st through June 30th. If a dog is found without a Village or County tag, its owner can be charged a minimum of \$10 for the first offense. If you have any questions, please call (847) 304-3400.

### Planting a Tree??

If you are intending to plant a tree on the Village's right-of-way, please note that a permit is required and can be found on the Village's website at [www.barrington-il.gov](http://www.barrington-il.gov) or you can call Public Works at (847) 381-7903.

## Village Achieves Solid Financial Performance in 2014

In early June, the Village Board reviewed the Comprehensive Annual Financial Report (CAFR) for the fiscal year ended December 31, 2014. The CAFR is the end result of the audit process and presents financial statements for all of the Village's accounting funds. As in previous years, the 2014 audit concluded with an unmodified opinion from the auditor attesting that the CAFR presents the Village's finances "fairly, in all material respects". In addition, the Village received the Government Finance Officers Association Award for Excellence in Financial Reporting for the 30th year in a row for its 2013 CAFR.

In 2014, the Village's financial position improved for the fourth year in a row as a positive change in Net Position of \$1.4 million occurred, increasing the Village's total Net Position to \$88.7 million (Net Position is the difference between total assets and total liabilities). The Village's total assets increased \$841,543 in 2014 to \$121.2 million, including \$28.3 million in current assets. The Village's total liabilities and deferred inflows of resources decreased \$588,537 to a total of \$32.5 million.

The General Fund, which provides the bulk of services such as public safety and public works, achieved an excess of revenues over expenditures in 2014 of \$767,723. At the end of 2014, the General Fund's ending Fund Balance equaled \$8.5 million and included the equivalent of 4.15 months of expenditures in the Unassigned Fund Balance, the portion of the Fund Balance used to meet ongoing obligations to residents and creditors.

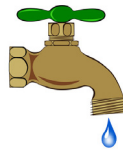

In addition to the strong performance in the General Fund, significant investments in the Village's infrastructure occurred in 2014. The Capital Improvement and Water & Sewer Funds together expended \$6.445 million to improve, reconstruct, or repair infrastructure in the community. In 2014, 1.36 miles of Village streets were repaved or reconstructed, including improvements to the related infrastructure such as water, sanitary sewer, and storm sewer mains and curbs, gutters, and sidewalks. In total, the Village constructed or replaced 3,700 linear feet of water main and 611 linear feet of sanitary or storm sewer main. The Village also completed the construction of Lift Station Number Four.

In summary, the Village's financial position continued to improve in 2014. The Village responded rapidly to the turbulent economic events of the last seven years by reducing its staff levels and operating expenses and continuing to provide services as efficiently as possible. The austerity in expenses, combined with improving revenues, have produced five years of solid financial results for the Village and have contributed to its positive financial position.

# Pitch In to Conserve Water

Now that summer is here, additional water is being used by residents to maintain lawns, gardens, and trees, which places a higher demand on our water system. The Village has an ordinance establishing limitations on water use. *We also ask that you make a conscious effort to conserve this precious resource throughout the remaining summer.*

 <b>OUTSIDE WATER CONSERVATION</b>	<b>EFFECTIVE 9/16 - 5/31 ALL RESIDENTS</b>	<b>EFFECTIVE 6/1 - 9/15 ODD/EVEN</b>	<b>AS REQUIRED ODD/EVEN</b>	<b>AS REQUIRED ALL RESIDENTS</b>
USE OF SPRINKLER/IRRIGATION SYSTEM FOR ANY WATERING	5 a.m. - 10 a.m. 5 p.m. - 10 p.m.	5 a.m. - 10 a.m. 5 p.m. - 10 p.m.	NOT ALLOWED	NOT ALLOWED
HAND WATERING SOD, TREES, SHRUBS AND GARDENS	EVERY DAY/ ANYTIME	EVERY DAY/ ANYTIME	5 p.m. - 10 p.m.	NOT ALLOWED
CLEANING CARS, SIDEWALKS, DECKS, FILLING POOLS, ETC.	EVERY DAY/ ANYTIME	EVERY DAY/ ANYTIME	EVERY DAY/ ANYTIME	NOT ALLOWED

\*AT ALL TIMES A SHUTOFF DEVICE IS REQUIRED AT THE END OF THE HOSE

## Water conservation tips:

Run dishwashers and washing machines with a full load only (unless reduced fill settings are available).

Take shorter showers. Turn down the faucets and try a low-flow shower head. A typical five-minute shower can use over 40 gallons of water. A shower of seven minutes or longer can consume more water than a bath.

A typical toilet leak can waste thousands of gallons of water each year.

Don't leave water running when shaving, brushing teeth, washing hair, or washing dishes.

A small drip from a leaking faucet can waste 70 gallons of water each day. Replace worn washers.

Insulate hot water pipes between the heater and the faucets to reduce the amount of water that must be run to get hot water.

When washing a car, rinse it once. Use a bucket of soapy water to wash it, and then rinse it once more quickly. Taking a car to a car wash may save water since many commercial installations recycle their water.

One inch of rain or watering over a 7 to 10 day period is sufficient to maintain a healthy lawn. There is no need to water every day, as it promotes weak, shallow, rooted grass.

Reset automatic irrigation systems to meet the changing Village water status. Watering during the morning hours is best for your lawn to prevent evaporation loss.

Grass beginning to turn brown during dry conditions has become dormant and will revive after a normal rainfall.

Avoid sprinklers that produce a fine mist. Too much water is lost to the wind and evaporation.

Sweep sidewalks and driveways, instead of washing them.

## Village Board Meeting Summary

At the Village Board meetings held June 8th, the Village Board took action on several items. The following is a summary of some of those items.

**Motions to Receive and Place on File:** There were motions to accept the Village's Comprehensive Annual Financial Report for 2014 and the Plan Commission's recommendation pertaining to an amendment to an existing special use and planned development for 400 W. Northwest Highway.

**Smoke Testing the Sanitary System:** An agreement with Sewer System Evaluations, Inc. was approved to perform smoke testing of the sanitary sewer. As we continue to experience inflow and infiltration problems during extreme rain events, one of the methods used to determine the cause of overflows is to smoke test, which is a process where smoke is introduced into the sanitary system to determine location of connection into the Village's system.

**IDOT Maintenance Agreement:** The Village entered into a ten-year agreement with IDOT for routine maintenance of state routes (sections of Route 59 and Lake-Cook Road) that allows the state to reimburse the Village for maintenance costs expended by the Village on those roads.

**Alterations at 148 S. Northwest Highway:** The Board approved a Certificate of Approval for alterations, including removing the faux roof structures, restoring the existing brick, adding awnings, and removing one door on the rear elevation.

**Village Code:** Several code amendments were approved relating to an address policy, amending department names, liquor, and massage codes.

**Electrical Aggregation:** The Board authorized Northern Illinois Municipal Electric Collaborative (NIMEC) to solicit bids for renewal of the Electric Aggregation Program. NIMEC will solicit bids for electricity prices for one-, two-, or three-year terms, and will present the bids to the Village. The Village designee can then select a vendor or return to Commonwealth Edison, depending upon the results of the bid.

Complete Village Board meeting agendas are available on the Village's website. Also, all meetings are aired on Channel 4, and can also be viewed online at [www.barrington-il.gov](http://www.barrington-il.gov).

Do you have an award-winning canine, or one that you think is award winning? Dogs don't have to be pedigree to put their best paws forward in this fun dog show. There will be prizes in a variety of categories, and all participants will receive a 'doggy bag.' For more information, visit [www.BarringtonParkDistrict.org](http://www.BarringtonParkDistrict.org).

## Concert in the Park Series

**July 29, 7:00 p.m.**

### *Citizens Park*

Join us for this free concert series with The Associates, who are THE premier Motown and variety band in the Midwest and always deliver exciting high-energy performances. For more information, visit [www.BarringtonParkDistrict.org](http://www.BarringtonParkDistrict.org).

## CFC Butterflies Class

**August 1, 1:00 p.m. - 3:00 p.m.**

### *Flint Creek Savanna*

Discuss the life cycle of butterflies, create butterfly homes, and look for butterflies along the trail. Students will receive milkweed seeds and a caterpillar. For information, visit [www.CitizensforConservation.org](http://www.CitizensforConservation.org).

## Barrington Police Needs Your Help With 'Shop with a Cop' Fundraiser

The Barrington Police Benevolent Association is raising money for our upcoming 'Shop with a Cop Event' in December. Every year, kids in need are taken on a shopping trip and it would be great to include as many kids as possible. Now more than ever, it is very important to build the trust between our young people and the police. Please be a part of this important fundraiser and help to reach the goal and help spread the word. All donations are tax deductible. For more information, visit <http://bpba.weebly.com/about.html>.

# Did You Know?

There is an easy way to get timely alerts on local news such as emergency bulletins or crime alerts? Visit [www.barrington-il.gov](http://www.barrington-il.gov) to get connected.

## Village Vision

*The vision of Barrington is to preserve and promote its unique small-town heritage, preserve its distinct ecological and historical character, provide a moral and safe environment, maintain a high quality of life through the efficient use of community resources, and respond to future challenges through citizen participation in all civic, social and cultural endeavors.*

Due to Holiday schedules, the Village Hall will be closed Friday, July 3rd and Groot refuse, recycling, and yard waste pick-up will be on its regular Friday pick-up day.

## It's Construction Season in Barrington WHAT YOU NEED TO KNOW

'Tis the season for seemingly never-ending construction projects and road work. There are several projects occurring in Barrington. To help keep you informed, we provide weekly construction updates on our website at [www.barrington-il.gov](http://www.barrington-il.gov). It is important to remember that not all roads fall within the Village's jurisdiction, so we try our best to keep you informed on all projects, even those that are the responsibility of other governmental entities.

Remember to always be safe while driving. In particular while in a construction zone, the State of Illinois requires motorists to stop all wireless phone communications, slow down, and yield to any authorized vehicles or workers in the area. We understand that driving through construction zones can sometimes be frustrating, but we encourage you to always err on the side of safety.

### Free Wood Chips Available
